

Prayer After a Game

Lord,

Thank you for the opportunity to have played this game today. Thank you for our opponents, our coaches and our parents for their part in this day. Thank you for the talents we displayed and the things we learned through this contest.

As we go forth, keep us ever mindful of your Love and your Will.

Help us continue to grow in our athletic ability through hard work and perseverance in the week ahead.

We ask that you bless all the participants in today's game wherever they may go, that we may all return safely to our next game.

Amen.
